Does your child need any assistance in the bathroom? Yes _____ No _____

If yes, please list: _____

Does your child display any behaviors that would impact their learning?

Yes _____ No _____

If yes, please list:

Please Attach a Photo of the Student.

Crossway Academy Admissions Process

Step 1:

If you have read the admissions guidelines and feel we may be a good fit for your child, please send an email to headofschool@crosswayacademy.com, or give us a call at 704-847-3911. In the email, tell us a little more about your child and what you are looking for in a new school.

Step 2:

After a phone conference or contact via email, someone from our admissions team will contact you to schedule a tour. During this tour, we will conduct a brief parent interview.

Step 3:

After your tour, we will schedule a day for your child to spend some time with us here at Crossway. By observing your child among his or her peers, we can get a better understanding of their academic and social needs. We will also conduct some informal assessments during the student visit.

Prior to the student visit we will need the following items:

1. Completed application
2. Most recent student report cards
3. Immunization records
4. Copies of all IEP and 504 plans
5. All medical, therapeutic, and counseling evaluations and reports

6. Teacher/therapist recommendation form

Step 4:

The admissions team will meet within two weeks of the student visit to determine whether Crossway is the best fit for your child. We will then send you an email to let you know our decision. Please remember, we want the best educational setting for all students at Crossway. Services available and teacher-student ratio affect our decision.

Crossway Academy Admissions Guidelines

Crossway Academy is specifically designed for students with unique learning profiles who are neuro atypical, and may benefit from a therapy-based approach to education. While no diagnosis is required, many of our students have been diagnosed with autism, specific learning disabilities, and/or other developmental or academic delays.

Finding the best school for your child is all about finding the right fit. We know this because our teachers also have children with special needs. If you are interested in learning more about our program here, please read the following profile of a Crossway student to see if he or she may be a good fit.

A Crossway Student:

1. Loves school, and has the ability to work within a small group.
2. Has attended at least one full year of preschool or kindergarten prior to attending Crossway.
3. Has age appropriate toileting skills.

4. Has age appropriate feeding skills.
5. Is able to physically transition between activities independently; follows general safety guidelines (not prone to wander or run).
6. Is eager to make friends, and is receptive to social skills training.
7. Has no history of diagnosed behavioral or emotional disorders such as ODD and does not require one to one support for behavior. If the child does require Applied Behavioral Analysis support, the family needs to provide this and discuss prior to admission.
8. Has a supportive home environment for carryover of therapeutic and academic recommendations.

Our teacher to student ratio is 1 to 5. Our classrooms are multi-age and multi-grade. Classroom placements are determined based on social and academic needs.

Tuition: Elementary School \$18,200

Middle School \$19,200

Elementary Technology Fee: \$100

Middle School- Google Chromebook Required

Application Fee New Student: \$150

Deposit: \$500 which holds the spot for child and is applied to tuition
