

Field Trip Release Form

During the school year, your child will have the opportunity to participate in field trips during regular school hours and past the end of the school day. Rather than requesting a permission slip for every field trip, we would like this general permission slip for the entire school year. This permission slip covers vehicle and walking trips. You will be notified in advance concerning all vehicle trips. If you do not wish your child to take a particular vehicle trip, please notify the school in writing before the trip occurs.

This slip will be kept on file by the school.

Student's First and Last name

The above-named student has my permission to accompany his/her class on planned vehicle and walking field trips during the school day and past the end of the school day. I understand that I will be notified in advance concerning all field trips.
